INTENTION, ROLE, and FOUNDING OBJECTIVE

at the root of

the cornerstone of God's church ...

- is to exalt the glory of the living God, giving the church back to Him, Who declares, "I alone am God, there is no other God (Isaiah 43:10).
- Who declares, the world must know ... JESUS CHRIST, the Messiah and promised Savior, is the same yesterday, today, and forever ... HE LIVES!
- Who declares, the people's first and true High Priest, was and is 'I AM' ... before Abraham was, 'I AM' ... He was, is, and remains forever.
- Who declares, I seek humble hearts removed from their man-made rules, teachings, pride, and titles that are destroying MY CHURCH.
- Who declares, **STOP** judging others, including fellow believers who love me.
- Who declares, **STOP** adding or taking away from my word.
- Who declares, **STOP** teaching, speaking, and praying in babbling tongues that is not authorized by The Holy Spirit ... and without interpretation.

- Who declares, **STOP** doing what I would not and did not do.
- Who declares, **STOP** performing, entertaining, and drawing attention to self that I did not and would not authorize ... and teach as did I ... speaking clearly and humbly, without need for exaggeration.
- Who declares, **I AM NOT SAYING** to stop teaching what you have learned ... but rather learn to teach according to MY word as it is written ... **ALL OF IT** ... not bits and pieces, as you are currently doing.

GIVING THE CHURCH BACK TO GOD

Giving the church back to God, boasting of His name '**JESUS CHRIST LIVING GOD**' ... is much like baptism ... an outward public expression of faith and trust in Him as your Lord and Savior.

Therefore, moving forward, **BOLDLY POSTING** His name, '**JESUS CHRIST LIVING GOD**,' the cornerstone of God's church, is a public expression to the world and to our Heavenly Father that you are rededicating the church, all ministries, self, and families, back to Him ... evident of your faith in action.

Does it make sense that blessings and favor follow faith in action? Absolutely!

Does it make sense that a Pastor who has a heart for Third World Nations, when blessed himself by our living God, will want to share said blessings with those who boldly dedicate the church back to **JESUS CHRIST LIVING GOD**? Absolutely! 😊
